	Points	3 ft	6 ft	9 ft	12 ft	15 ft
Holed	2					
Missed	0					
	SCORE					

Short Game Handicap: a handicap is assigned to each skill score as well as a handicap for total score. For each skill, skill score is on the left, equal to skill handicap on the right of the equal sign.

For Overall handicap, scratch is represented by the symbols ## for a score of 107 or better.

For example, if your score is 20 with the wedge test, your handicap equals +5.
